# Hits of the Silver Screen

Nothing inspires great music more than the emotion-packed story line of an epic motion picture. Spanning the years 1969 to 1993, each of the blockbuster films in this collection has given moviegoers an unforgettable theme song. So dim the lights, sit back and prepare to relive the magic with these *Hits of the Silver Screen!*

- 1 **Midnight Cowboy – Theme**  
(John Barry)
